

Accordion Block

Map to Existing FAQ List (v1),FAQ Items, Accordion, Accordion Item

A vertically stacked list of collapsible panels. Each panel is a title + body pair that expands and collapses on click.

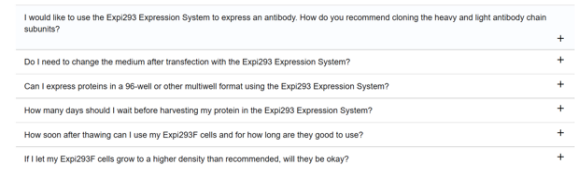

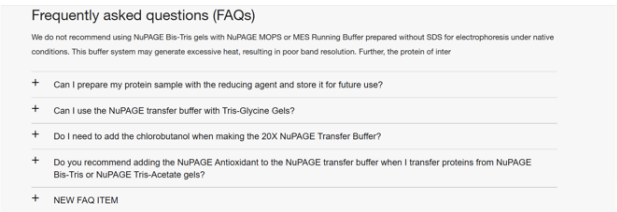

Authoring Criteria

- Panel title – required. The clickable header for each panel.
- Panel body (rich text) – required. The content revealed when the panel is expanded.
- Author can add as many title + body pairs as needed. Each pair renders as one collapsible panel.

The accordion block must be built to support the following content types within panel bodies:

- Columns
- Tables
- Videos
- Forms
- Images and rich text
- Product List

Each content type will need to render correctly inside an accordion panel without conflict with the parent accordion's styling or collapse behavior.

Variant	Description	Reference
default		
icon-left	Plus sign is to the left of the accordion heading	

classic-small	alternate style	T Aspire Member Program Thermo Fisher Scientific - US FAQs How do I become a member of the Aspire Program? Why is it eligible to join the Aspire Member Program? How do I earn points? How can I tell which products are points eligible? How do I redeem points? What products can I use? What do I need to have questions?
classic-gray	Gray background with blue text. Normally occurs with a single accordion item.	OEM and commercial supply FAQs How does custom commercial supply help accelerate my time to market? Why do I need to involve commercial supply reps early in my development process? Do you offer support and training for commercial use products? What makes a commercial partnership more valuable than a transactional relationship? T OEM Solutions: Custom Commercial Solutions Thermo Fisher Scientific - US
