

Hero Block

Map to Page Heading Hero Component

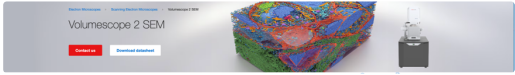

A full-width banner that introduces the page with a background image, heading, and optional call-to-action.

Authoring Criteria

- Image – ~~required~~ Optional. The hero background image.
- Subtitle – optional. Secondary text below the heading.
- Description (rich text) – optional. Supporting body copy.
- CTA text + link – optional. A call-to-action button. Can add 0, 1, or 2. Options- Primary or Outline
- Overlay breadcrumb (yes/no) — optional. Toggles a breadcrumb trail overlaid on the hero.
- Foreground Image

The H1 heading is pulled automatically from page metadata – authors do not author it within the block.

Variant	Description	Reference
default	Text is black and aligned to the left	 A hero block with a light blue background. It features a breadcrumb trail 'Home > Applications' in the top left, followed by the heading 'Applications and Techniques' and a large, abstract image of a microscope component on the right.
dark-background	Text is white	 A hero block with a dark, abstract background. It features the heading 'Why data integration matters in Cryo-EM' and the subtext 'Effectively managing cryo-EM data with CryoFlow Software' in white text.
center-align	Text is centered on the hero	 A hero block with a dark background featuring various scientific images. It features the heading 'Electron microscopy' and the subtext 'From microns to molecules and atoms: image, characterize, and reveal new hidden structures' in white text. At the bottom, there are several small, colorful images related to microscopy.

foreground -image	Includes both a background image and a foreground image	 T 3D SEM Volumescope 2 Scanning Electron Microscope Thermo Fisher Scientific - US
gradient- overlay	Dark gradient overlay on top of background image	 T Environmental Thermo Fisher Scientific - US
image- focal- center		 T Carrier Screening Information Thermo Fisher Scientific - US
